HOW WE RECORD

We record the episode as a video version for YouTube. I'll share all the important technical details a little closer to our scheduled show date.

A LITTLE ABOUT ME

I am a lawyer, a mom, a wife, and a business owner in Houston, Texas. My law practice specifically focuses on helping small, online, creative, and start-up businesses build their business' legal fundamentals, so they can move forward confidently in their business. I create an environment for my clients that is not overwhelming but where business legal matters are easy to embrace, understand, and implement.
